

## AZTESOL Board Meeting Summary

Saturday, October 13, 2018

The meeting was held immediately following the fall conference with seventeen members in attendance. New board members were welcomed and change in role were announced for president and past president. The board engaged with conference feedback noting the session timing and number of concurrent sessions was appropriate for the number of attendees. The conference planning tasks chart will be updated for future planning. The VIP experience during conferences will be elevated to include introductions, transportation, tours, lunch designation at tables, and general hospitality. The Fall 2019 conference location will be in Flagstaff. The board will develop a planning template and/or workshops to support members that coordinate regional conferences. A committee will be established to review and possible consolidate AZTESOL board positions.
